**Nick's Run for Recovery**

will be the 3rd annual run, on  
**May 17th 2025** in loving memory of  
Nicholas Suardini.

Please join in a 5k walk or run. This run was organized to raise awareness for mental health and addiction. Recognizing how the two go hand in hand and can often result in the tragedy of suicides amongst our friends, family, and people throughout our community.

We ask for your help in raising money through Superior Connections RCO, with the ultimate goal of supporting our 2 current recovery homes in Marquette and Ishpeming, they each currently house 4 residents and follow National Alliance of Recovery Residence Level 3 standards. Typically, we receive residents right from treatment and assist them to create a foundation to reach success from.

Please help us make this impact in our community through being involved in the run, and making a donation.
